PAID MEDIA STRATEGY • CAMPAIGN PROPOSAL

# Career Clinic: Meta Campaign Proposal

Date: October 19, 2026

## Overview

This proposal outlines the paid media investment and the work to be delivered to launch and run a Meta (Facebook and Instagram) advertising campaign for **Career Clinic**. The campaign will build awareness of the product and generate qualified leads and sign-ups from job seekers and professionals looking for career support.

The strategy is also tailored for schools that need Career Clinic, as there is a product made specifically for them. Messaging, creative and targeting will address both individual job seekers and schools.

## Investment Summary

| Item | Description | Amount |
|---|---|---|
| Meta media budget | Ad spend paid directly to Meta for campaign delivery | Ksh. 30,000 |
| Stipend for work done | Fee for strategy, creative, setup, management and reporting | Ksh. 27,500 |
| Total investment | Comprehensive media spend and full campaign execution | Ksh. 57,500 |

## Deliverables

### 1. Strategy and Planning

- Campaign strategy, objectives and success metrics (KPIs)
- Audience research and targeting plan (job seekers, early and mid-career professionals, career changers) and schools that need the school-specific Career Clinic product
- Budget allocation across campaign stages and placements

### 2. Creative Development

- Ad copy and messaging tailored to Career Clinic, including its school-specific product
- Static and short-form video ad creatives for Facebook and Instagram feeds, Stories and Reels
- Call-to-action and landing page recommendations

### 3. Campaign Setup

- Meta Business Manager and ad account configuration
- Pixel and conversion tracking setup
- Lead forms and/or landing page integration

### 4. Campaign Management and Optimisation

- Day-to-day management of the Ksh. 30,000 media budget
- A/B testing of creatives, audiences and messaging
- Ongoing optimisation to improve cost per lead and conversion rate

### 5. Reporting

- Weekly performance snapshots
- Final campaign report with results, insights and recommendations for next steps

## Terms and Next Steps

- The Ksh. 30,000 media budget is spent on Meta ads only and is not part of the stipend.
- The Ksh. 27,500 stipend covers work delivered as outlined above.
- Campaign start date, duration and payment schedule: [to be confirmed on approval].

**To proceed, please confirm approval of this proposal and we will begin setup immediately.**
